Improving outcomes for children in Solihull

Children and Young People's Trust
eBulletin – June 2011

This eBulletin provides a summary of the Children and Young People's Trust Board meeting on **16 June 2011**

Review of the Children and Young People's Trust

June's meeting was a single item agenda to look at the future of partnership arrangements for children in Solihull, and in particular to determine whether to continue with the Children and Young People's Trust.

Board members discussed the following points:

- (i) What outcomes each partner organisation was aiming to achieve through membership of the Children and Young People's Trust;
- (ii) What specific areas of work needed a partnership approach to deliver them, and which of the current workstreams were still priorities.

Outcome of the meeting:

Partner organisations committed to work together as part of the Trust Board for a further 12 months. The Chair, Councillor Joe Tildesley, urged Board members to focus relentlessly on improvement and delivery. The Board agreed to meet in July to review all the Trust workstreams.
