The Order shall come into effect on 12th August 2011 and will remain in force on an experimental basis for a maximum period of up to 18 months. The general nature and effect of the Order will be as follows:-

Coleshill Heath Road - Suspension of Bus Lane

The affect of this Experimental Order will be to allow all types of vehicular traffic to turn right from Coleshill Heath Road onto the B4438 Bickenhill Parkway by using the short section of Bus Lane (approximately 130m in length) on Coleshill Heath Road.

The reasons for making this Order may be obtained by written request from the address given below; inspecting the deposited documents at Solihull Connect, located off Library Square, Touchwood, Solihull during normal opening hours or by viewing the Council's website. A copy of the Experimental Traffic Regulation Order is available from the Council upon request.

Where it appears necessary for certain operational or other purposes, the Council, or any person authorised by them may modify or suspend the Order or any of its provisions whilst the Order is in force. In due course, the Council will consider whether or not the provisions of the Experimental Order should be continued in force indefinitely.

Within a period of six months from the Order coming into force, (or if any or all of the Order provisions are varied or modified by another Order, from the date of that variation or modification Order, whichever is the latest), any person may object to the making of the Order to continue on a permanent basis. Anyone wishing to make objections should apply in writing to Mr L Stevenson, Corporate Governance Division, stating the grounds on which the objection is being made by no later than 12th February 2012 at either the address given below or via email to tro@solihull.gov.uk.
