Any Further Comments:

We are also looking to develop a new **business to business networking site** for Solihull businesses to join, network and also promote local tender opportunities – would you be interested to be involved in a focus group looking at the development of the site for local business needs?

If so, please include your name and contact details, or email crudge@solihull.gov.uk.

Thank You

The business support team within the Council are keen to engage with as many local businesses as possible and offer a free and confidential business visit service.

To discuss how the Council can assist your business further, please call 0121 704 6151.

Please **hand in** at the end of the meeting or **return to** Clare Rudge, Solihull Council.
