## Bickenhill Household Waste Recycling Centre

The Household Waste Recycling Centre provides recycling facilities for other types of waste that may be difficult to dispose of, such as

- ♻️ Paint
- ♻️ Engine oil
- ♻️ LPG Cylinders
- ♻️ Car batteries
- ♻️ Fridges
- ♻️ TVs, videos, computers & hi-fi's
- ♻️ Wood
- ♻️ Small electrical goods
- ♻️ Fluorescent light bulbs

### Green Garden Waste

This is collected in official Solihull Council prepaid garden sacks on the same day as your domestic refuse. Most of the green garden waste will be recycled through the composting process. For stockists and cost of sacks please ring the number below.

### Kerbside Paper Recycling

Approximately 60,000 households are covered by the scheme. Residents are able to recycle newspapers, magazines and directories etc. Cardboard is excluded. The paper collected is recycled.

### Asbestos disposal and bulky waste collections

Please contact the number below for information on these services.

### Home Compost Bins

Compost bins are available from the Council for £6 until Dec 31st 2006. Home composting reduces the amount of waste produced and provides free compost for your garden.

# Recycling Services

## Recycling facts, figures and what you can do

- ♻️ **Reduce** the waste you produce, buy goods with less packaging. To reduce junk mail call 08457 034599. Use real nappies, see [www.wen.org.uk/nappies](http://www.wen.org.uk/nappies) for details.
- ♻️ **Reuse** your carrier bags, use rechargeable batteries, donate unwanted goods to charities. Look for longer lasting goods e.g. energy efficiency light bulbs and electrical equipment.
- ♻️ **Recycle** as much of your glass, cans, paper, textiles and cardboard as possible. Separate all your kitchen and garden waste and start a home compost bin. Buy recycled products.
