

Solihull Shopmobility

We are a locally run charity for people who have problems getting round because of illness, age, injury or disability.

We provide the wheelchairs and electric scooters to allow independent access around Solihull town centre and Chelmsley Wood shopping centre.

Where are we?

- 1) At 19 Drury Lane (close to Mell Square)
- 2) The Welcome Hall of Touchwood Car Park, next to the orange parking zone
- 3) Connect Office, Chelmsley Wood

How much will it cost?

To join you pay an annual registration fee of £10. Then it's just £1 a time to use the scooters and wheelchairs. The fees and charges help us provide the service.

Equipment available

- 40 motorized scooters
- 23 manual wheelchairs
- 7 power chairs (4 dual control)
- 9 wheelchairs and 4 pushchairs for ShopmoKidz
- One-off wheelchair hire for non-members

Using the Service

Once registered you can use the service whenever you like. When you arrive, the required scooter or wheelchair will be made available.

The first time you use the equipment you get some training.

Other benefits

- * 18 parking spaces for all blue badge

holders in Drury Lane

- * Free parking bays in Touchwood car park
- * Disabled toilet for customers at Drury Lane
