LEVEL 1 TRAINING: An Introduction to Safeguarding (Half-day)

Presented by members of the LSCB pool of trainers

- ☺ To enable all those who come into regular contact with children and young people to develop awareness of, and the ability to act on, concerns about their safety and welfare

Objectives

By the end of the training, participants will be aware of:-

- ☺ What to do if they have concerns about children's and young peoples' safety and wellbeing
- ☺ What will happen once they have informed someone about those concerns

These will be people who are in a position to identify concerns about maltreatment, including those that may arise from use of the Common Assessment Framework. This includes housing and hospital staff, Leisure and Sport, Youth Workers, Childminders, Learning Support Staff, Private Foster Carers, those working with children in residential and day care settings and people whose work causes them to visit places where children are.
