

APPLICATION FOR A SCHOOL PLACE

You can apply for any Solihull school using this form

Read the accompanying notes before you fill in this form. Moving your child to another school is a very serious step. It is important that you consider whether a transfer is really the best option. If your child is experiencing difficulties at school a transfer may not solve the problem. Talking to your child and staff at your child's school can resolve most problems so that a move is avoided. If the circumstances are complex it will take longer to process your application.

Your child must continue to attend their current school until you are offered a new school place. Parents are responsible, by law, to ensure that their children attend school every day (Education Act 1996, Section 444) and are liable to prosecution if the child is absent without authorisation from the school.
