

Warning: This information shows the priority and distance (miles) of the last child offered a place on offer day. It does not mean that places will always be offered to children with a particular priority/distance, but gives you an indication of previous patterns. There is no guarantee that any child will be offered a place, even if you live in the catchment area for a particular school. Some places are offered from the waiting list after the offer day. Getting a place in a nursery does not mean your child will get a place in reception at the same school the following year. If you need help phone School Admissions.
