4. Statistical peers

Mortality from suicide
males: 2011-13

Stockport  Cheshire East  Trafford  Bath and North East Somerset

Mortality from suicide
females: 2011-13

Stockport  Trafford  Cheshire East  Bath and North East Somerset  Cheshire West  Solihull

---

4 As 1
Suicide and Injury undetermined

Mortality from suicide and injury undetermined males: 2011-13

Potential years of life lost from suicide males: 2011-13

Mortality from suicide and injury undetermined females: 2011-13

Potential years of life lost from suicide females: 2011-13
5. Local picture

Numbers of suicides too small to plot by ward so data has been split by regeneration area (Chelmsley Wood, Kingshurst and Fordbridge and Smith’s Wood) and the rest (non regeneration).

---

5 Data extracted from PCMD, Open Exeter + ONS mid year population estimates
Suicide and Injury undetermined

Male suicides
- Poisoning: 17%
