- Land off Salter Street, Earlswood
- Canal View, off Salter Street, Earlswood
- The Haven, Catherine-de-Barnes Lane, Bickenhill

Next Steps
Introduction

In July and August 2011 the Council consulted on a Gypsy and Traveller Site Allocations Development Plan Document (DPD) ‘Options’ Paper. The document, amongst other things, sought views on how the future accommodation needs of Gypsies and Travellers in Solihull could be met by identifying the possible ways in which pitches and sites could come forward. A ‘call for sites’ exercise was also undertaken for stakeholders to suggest any possible sites that they think may be suitable for use by Gypsies and Travellers.

As part of the consultation, as well as prior to the consultation, potential sites for Gypsies and Travellers have been suggested to the Council for allocation. A number of owners of existing authorised sites have also expressed their desire to extend and increase the number of pitches on their sites.

This information document provides the list and locations of all the new sites and site extensions that have been suggested to the Council as part of the Development Plan Document Process.

The Council has made no decision in favour of any possible site at this stage and this document in no way determines whether a site should be allocated for development.
List of Submitted Sites

Gypsy & Traveller Sites:
Land off Salter Street, Earlswood (204) and Canal View, off Salter Street (208)
Gypsy & Traveller Sites: The Haven, Catherine-de-Barnes Lane (199)
Next Steps

Each of the suggested sites, as identified in this document, will be assessed for their suitability in order to develop a list of preferred sites for potential allocation. The next stage in the process will be publication of the list of preferred sites for consultation, prior to the publication of a Submission Draft Site Allocation DPD.
