

census 2021

Census Support checklist

In order to help you fill in the form, we need:

- The letter containing your access code
- The month and year you arrived to live in the UK (if not born here)
- Your previous addresses (if you've moved within the past 12 months)

If you are answering for other members of your household you will need to have the following information for each person. You do not need to provide proof of any of this:

- Dates of birth
- Qualifications held
- Employer details for current or last main job (including address and postcode)
- The month and year of arrival in the UK (if not born here)
- Previous address details (if they've moved within the last 12 months)
- Country of issue of passports held by those in the household
