

Admission arrangements 2022-2023

Grace Academy Chapelhouse Road, Chelmsley Wood, Birmingham, B37 5JS

Applications for school admission will be managed by Solihull Council in accordance with the Local Authority's coordinated scheme for admission.

The school's admission number is 180. Where the number of applications is lower than the school's admission number, all applicants will be admitted. If there are more applications than places available then all applications will be considered. Places will be offered in priority order according to the oversubscription criteria.

A variation to the determined arrangements was sought in July 2021 in response to a change to the Schools Admissions Code. The new code, [Schools Admissions Code \(2021\)](#) is in force from 1st September 2021.

Oversubscription criteria

- Priority 1**
- (a) Looked after children and previously looked after children who are now adopted or subject to a residence order or special guardianship order. This includes children who appear (to the admission authority) to have been in state care outside of England and have ceased to be in care as a result of being adopted, as well as children who were adopted (or subject to child arrangement orders or special guardianship orders) immediately following having been looked after in England
 - (b) children whose exceptional circumstances for social or medical reasons can only be met at this school
- Priority 2** Children who normally live in the school's catchment area
- Priority 3** Children who have an older brother or sister at the school at the same time
- Priority 4** Children living closest to the school, measured in a straight line from the child's home

Notes:

1. Children with a statement of education, health and care plan that names Grace Academy will be offered a place first. This will reduce the number of places available.
2. Applications with exceptional social or medical reasons must be supported by independent professional evidence. The Council's Cabinet Member Advisory Group for Admissions will consider applications and evidence and make recommendations to Cabinet Member, who will grant priority 1b to applications with exceptional circumstances.
3. The catchment area can be seen on the Council's website: www.solihull.gov.uk/onlinemaps.
4. If there are more children wanting places in priority 2 than there are places available, places will be offered to children living in the catchment area in the following order:
 - Priority 2a Children who have an older brother or sister at the school at the same time.
 - Priority 2b Children living nearest the school, measured in a straight line from home to school.

5. The home address is the place where the child is permanently resident with his or her parents. When a child lives between two addresses, the address used for offering a school place will be where the child lives for most of the school week (Monday to Friday). If care is split equally, parents can choose which address will be used. If the child moves into the home of a friend or relative during the process or the change of address appears to be a deliberate device to improve the child's priority, the address will not be used.
6. The places that are offered are provisional offers and are dependent upon the circumstances of the application remaining unchanged at the date of admission to the school. It is important that parents provide the school or Solihull Council with any information relating to changes in circumstances, such as a change of address, as soon as they occur. Offers based on fraudulent, in correct or misleading information will be withdrawn if the child is no longer entitled to the place because there are children on the waiting list with a higher priority. In these circumstances the place will be withdrawn after the child has started the school, in line with the Admissions Code.
7. Under priority 3 a brother or sister must live at the same address and could be:
 - A brother or sister sharing the same parents;
 - a half-brother or half-sister, where two children share one parent; a stepbrother or stepsister, where two children are related by a parent's marriage or civil partnership (a formal arrangement that gives same-sex couples the same legal status as married couples);
 - the separate children of a couple who live together; or
 - an adopted or fostered brother or sister.
8. If offering places within priority 3 would cause the school's admission number to be exceeded, then children living closest to the school will be offered first.
9. In any priority, if two or more applicants have the same distance but only one place can be offered, a computerised random allocation system will be used to decide which applicant has the highest priority. The applicant with the lowest random number will have the highest priority.
10. Distances are measured by the Local Authority's computerised admissions system. The admissions system uses six-figure grid references provided by the Local Land and Property Gazetteer (LLPG). The grid references provide a unique point on each property.
11. Waiting lists are produced in strict order of priority, against the over-subscription criteria and are managed by the Local Authority. Waiting lists for Year 7 intake are kept until the end of the autumn term. After this a Local Authority change of school application form will need to be completed.
12. Applications received after the closing date are late and will not be processed until after the published offer day. Late applications will be considered when places are allocated from the waiting list.
13. If possible places will be offered at the same school to twins, triplets and children from other multiples births. If only one place can be offered the parent will choose which child should have the place.
14. Applications for a school place at any time other than the normal time for admission (in-year admission) should be made to parents' home council for processing. If there is a vacancy in the relevant year group a place will be offered. If the year group is full the governing body will apply the admission criteria to the application so that it can be placed on the waiting list.
15. The Governing Body recognises its duty to comply with the Local Authority Fair Access Protocol to provide fair access to school for pupils who need a school place because they have missed, or are at risk of missing, education.

16. Parents who wish to appeal against the decision of the Governors to refuse their child a place should contact Solihull School Admissions on 0121 704 6693 for a form. Appeals will be heard by an independent panel, arranged by the Local Authority.

Applications for Sixth Form

The Sixth Form admission number is 50. The criteria for admission is as follows:

All requirements are discussed with potential applicants at interview, but minimum level entry requirements are GCSE level 5 and above in English Language and Maths with at least 3 other level 4s or above. Whatever the level of ability, all students are expected to show a commitment towards studying, an enthusiasm for success and a willingness to follow the dress code.
