

Love Solihull Community Litter Picking Guidelines

Love Solihull volunteers are only permitted to collect litter from SMBC maintained land. All individuals carrying out litter picking on Solihull MBC land should follow these guidelines in conjunction with the [Community Litter Picking Risk Assessment](#). Activities that do not follow these guidelines are carried out at your own risk.

Keeping Safe on your litter pick:

- Only litter pick if this is something that you feel comfortable and safe doing.
- Before going out litter picking, please review the Community Litter Picking Risk Assessment
- If using Love Solihull equipment, please ensure you have completed either the Love Solihull Community Litter Picking initiative [registration form](#).
- Only pick up litter using a litter picker - **please do not use your hands**
- We recommend wearing gloves whilst litter picking
- Children under 16 years of age should be supervised by a responsible adult at all times
- When litter picking, please ensure that you **wear the orange Love Solihull high-visibility vest** provided when you register and collect your litter picking equipment.
- Refrain from litter picking in the highway, on narrow verges or central reservations where there is no footpath. Never litter pick next to roads with speed limits over 30mph.
- Before taking any photos of people on the litter pick, ensure that they have given consent and understand where the photo may be displayed
- For your safety, **do not enter any water body** or water channel during your litter pick.
- Once you have completed the litter pick, **wash your hands as soon as possible**, also consider carrying hand sanitiser to clean your hands during your litter pick.
- Please report equipment defects or any issues or concerns to Love Solihull or your group leader.

Love Solihull bags

- Please use the green 'Love Solihull' bags provided, as this differentiates litter waste from fly tipping or side waste
- Up to three Love Solihull bags can be left next to any **SMBC public litter bin** and these will be automatically collected by our contractor.
- If you need to leave more than three bags next to a bin, they must be reported for collection via the [online reporting form](#).
- If you need to leave bags in any location other than next to a council bin, please leave them in a location pre agreed by the Love Solihull team, before reporting them for collection using the online reporting form.
- For larger community litter picks, the group leader should contact the Love Solihull team in advance of your litter pick to agree collection points.

- Do not leave bags next to any buildings in case the bags are ignited prior to collection
- Do not use the Love Solihull bags for green waste (i.e. shrubbery cuttings) without first contacting the Love Solihull team.

What to do if you find:

- **Fly-tipping:** Suspected cases of fly tipping should not be moved. Report to SMBC Connect for further investigation and collection via the [online reporting form](#).
- **Needles:** Please call SMBC Connect 0121 704 8000 for safe collection and disposal.
- **Knives / Weapons:** If you find a knife, please report it to the police by calling 101. Following that, please report it to SMBC Connect on 0121 704 8000 for safe disposal.
- **Inaccessible litter on SMBC land:** Please report to SMBC Connect 0121 704 8000 for safe collection and disposal.

Recommended PPE and additional equipment List:

- Fully charged mobile phone in case of emergencies
- Thick gloves
- High visibility vest (available from Love Solihull)
- Hand sanitiser and anti-bacterial wipes

If you require further clarification or have any questions or feedback relating to these Guidelines and the Community Litter Picking Risk Assessment, then please get in touch.

If you are involved in an incident or accident while litter picking that has resulted in ill health or injury, or if you are involved in an event where no harm has been caused but had the potential to cause injury or ill health, please report this to the Love Solihull team immediately.

Best wishes,
The Love Solihull Team

Thank you for your support in helping to clean up Solihull!
