

Finger Gym Ideas

- Use padlocks and keys - how quickly can the children unlock them?
- Clothes pegs. How many can the children peg around a box in 1 minute? Which child can peg the most if playing against a partner etc
- How many small beads can children pick up in a minute with tweezers?
- Have mixtures such as dried pasta and peas. Can they separate the mixture using only tweezers?
- Scissor activity booklet - ensure children have correct scissor grip at all times.
- 'Melt monsters'. Draw monsters with felt tip pens and then using eye droppers drip water on them and watch the monsters 'melt'.
- Playdough (see over for recipe). Encourage the children to pull, squeeze, roll, twist it etc. Sometimes using the palms of their hands, othertimes using their fingertips. They can also prick out designs using toothpicks in the dough.
- How many bubble wrap bubbles can they pop?
- Threading beads onto a string
- How many paper clips can they join together?
- Have a simple outline drawing, children to stick string/wool onto these outlines.
- Play games that encourage strength in the shoulders eg: wheelbarrows, crabs, wall push ups etc
- Use individual hole punch round a piece of card. Children can then thread wool/ribbon through these.
- Play games such as tiddly winks or the frogs where you press their backs.
- Doing up buttons and zips quickly.

To change colour just add food dyes. Essences can be added to change the smell or replace water with something such as coffee or replace flour with cocoa etc. Small objects such as sequins can also be added.
