

52 Things to Support your Child's
Speech and Language Skills.

Musical Madness

Can you follow a rhythm?

It's time to tap a beat!

Make your own drum kit or musical instrument.

Take turns with a friend to play.

Make it easier: Tap out a simple two or three beat rhythm, for a friend to copy.

Make it harder: Make your rhythm longer. How many beats can you copy?

Activity 20: brought to you by SISS SLCD
