

52 Things to Support your Child's
Speech and Language Skills.

World

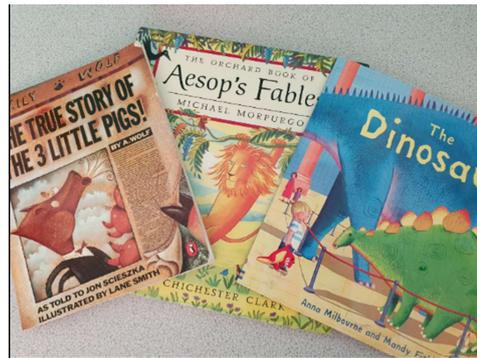

Book

Day

Literacy Lovers.

It is World Book Day on Thursday 5th March and so to celebrate, our activity this week, is to share a story with your child. Choose some exciting stories to read to your child and discuss their favourite part of the story.

Make it easier:

Firstly, support your child's understanding of the word 'favourite' by relating it to everyday e.g. 'What is your favourite toy?' 'What toy do you like the best?' After, give an option to your child e.g. 'Do you like the part when Jack is climbing the beanstalk, or when he finds the magical hen?'

Make it harder:

Encourage your child to explain their answer using 'because'. E.g.

'My favourite part was when Jack climbed up the Beanstalk because it was really exciting.'
