

# 52 Things to Support your Child's Speech and Language Skills.

## Spot my Mistakes

## Listening Activity

Tell your child you are going to tell them a well-known story but sometimes you might make mistakes.

When they hear a mistake they have to stop you by calling out '**stop**', e.g. The story of the Three Little Pigs: 'Once there were **two** little pigs who lived with Mr Wolf.' The story of Cinderella: 'Once there was a princess called Cinderella. She lived with a prince in a big castle. She had two **beautiful** sisters.'

### Make it easier:

- Use short stories with very obvious mistakes, use your voice to emphasise the incorrect word.

### Make it harder:

- Use longer stories, make the mistakes less obvious.
- Let your child have a go at telling the story with the mistakes - can you spot them??
