

Additionally Resourced Provision for children and young people with autism:

1. OVERVIEW

These centres are for pupils with an Education, Health and Care Plan describing Autism as their primary need, who, with significant additional support, can succeed in a mainstream environment. Such pupils do not meet the threshold for a special school in Solihull or there is parental preference for a mainstream school. These centres are not intended for short term or emergency placements.

2. RESPONSIBILITIES AND REQUIREMENTS

The Provision is expected:

- to provide a resource base within a mainstream setting
- to ensure that funds delegated to the work of the resource base are used to ensure that the needs of the target group of the pupils are being met through appropriate levels of staffing and support and do not become part of the general school budget for SEND
- to ensure staffing ratios are as in the model agreed with the LA and any permanent changes are in consultation with the LA
- to be responsible for the supervision of staff
- to ensure the Governing Body are fully involved in the development and monitoring of the resource base
- to provide the flexibility to move teachers and teaching assistants depending on the needs of the young people including moving into mainstream when appropriate
- to provide opportunities for children and young people to integrate with their peer group and the flexibility to be able to spend as much time as is required in the resource base to meet the needs of the young people
- to plan flexible styles of organisation within the resource base for example working in small groups, pairs etc.
- **to ensure that staff have appropriate Autism specific qualifications and experience** including AET level 2 and 3 and additional specialist teaching qualifications where applicable (ARP Manager/ Teacher in Charge), or intend to complete them

Training and partnership

- ensure relevant, evidence based staff training is provided for both resource base and staff across the school, about the needs of the children and young people, including self-evaluation and action planning through the use of the AET National Autism Standards and Professional Competencies
- work in partnership with the local collaborative schools including mainstream, special schools other resource bases and the SISS Autism Team, in regards to autism provision, to provide a seamless education package

The Environment

- the resource base should be fully accessible in accordance with DDA legislation
- have safe and secure internal and external environments
- comprise of a range of flexible, transformational spaces for teaching and learning
- spaces for children should be of a size to create a comfortable environment for children and young people with autism

Teaching and Learning

- to carry out a full range of assessments to ensure that the child/young person's learning needs are met
- provide access to specialist teaching. Provide explicit teaching to address the four areas of difference associated with a diagnosis of ASD i.e. difficulties with communication, social interaction, rigidity of thinking and sensory processing needs
- provide a flexible timetable for the children and young people to include flexibility to arrive early and leave late
- ensure the appropriate equipment is provided within the resource base. This should include: ICT facilities; Specialist writing equipment; Lockers for pupils belongings; Visual information; Workstations; Sensory equipment (e.g. weighted blanket, bear hug, carpets, lights). Providing sensory activities to provide a balance of either desensitisation or increase sensitisation
- incorporate a range of teaching and learning strategies which have been shown to be effective for children and young people with ASD and for which there is an evidence base

**Service Delivery Specification – Additionally Resourced Mainstream Provision (ARP) for
primary aged children with autism:
Dickens Heath Primary School and Windy Arbor Primary School**

1. Provision

In line with this Service Level Agreement and the Local Offer, Dickens Heath Primary School ARP and Windy Arbor Primary School ARP will provide:

- This provision is for a maximum of 14 pupils across Reception, Key Stage 1 and Key Stage 2. Pupils will only be considered for reception in exceptional circumstances and will enter on an assessment place for half a term during which their needs and provision will be assessed to determine if a permanent place is appropriate.
- Staffing will be a **minimum of** one teacher and one teaching assistant per seven pupils, as agreed within the model designed between school and LA, which will be reviewed annually.
- Pupils will be admitted on the roll of the Primary School.
- The day-to-day running of the provision is the responsibility of the Head Teacher.
- Pupils will access mainstream classes as appropriate to their needs.
- Pupils will be placed by the local authority from Reception to year 5. New pupils will not normally be placed in the provision at year 6 and in reception only in exceptional circumstances.
- Dickens Heath and Windy Arbor schools and ARPs will provide a socially and emotionally supportive environment which fully involves parents in their child's learning, including wider outcomes.
- Pupils will be appropriately supported according to their needs throughout the whole school day including breaks and lunchtimes.
- The Teacher in Charge of the ARP will work closely with the school SENCo so that learning is shared across the school and ARP staff.
- Staff in the ARP will share expertise across the whole school enabling autism friendly practice to be embedded across the setting.
- The ARP staff will support other schools in Solihull to develop autism friendly practice through a range of outreach activities e.g. providing training for TAs, support for parents etc.

2. Entry Criteria

- The placing authority is Solihull MBC. The child will have a verified diagnosis of autism made by appropriately qualified specialists as detailed under NICE guidelines.
- The child will have an Education, Health and Care Plan with autism as a primary need.
- The provision detailed in the EHCP states that the child needs substantial adult and environmental support to manage the social, environmental and sensory demands of a busy mainstream setting.
- The child has potential to benefit from access to a differentiated mainstream curriculum and function with the peer group available. The expectation is that the child will work towards achieving at least 50% of their timetable working within a mainstream classroom and by the end of year 6 to be able to access mainstream education on a full time basis.
- The child requires some aspects of the curriculum to be taught in a small group within the resource class area and to have access to specialist Autism programmes such as social skills programmes.
- All possible school based autism interventions will have been explored, under the direction of the schools AET Lead for autism, and there is evidence to support this with clear outcomes. This includes use of the AET Progression Framework to evidence outcomes.
- Interventions recommended by external specialists in autism will have been used and despite these the pupil shows little or no progress or intensive support is required to ensure progress.
- An Autism Specialist and/or Educational Psychologist will have been involved with the child and will have identified the need for this type of provision. **This recommendation will have been discussed with the Team Around the Child at a review meeting or annual review meeting prior to a referral being made.**

3. Required evidence

The following evidence MUST accompany the standard application form for additionally resourced provision

- Written evidence of a diagnosis of autism from an appropriately qualified professional.

- Evidence that there has been exploration of and identification of contributing factors to the pupil's autism needs, such as co-morbid conditions, specific learning difficulties, mental health issues. This is likely to be multi-agency.
- Evidence of partnership work with parents and the outcomes of this.
- Evidence of involvement of Support Services and professionals including Autism Specialist Teachers and/or Educational Psychology, this must include written evidence from these professionals.
- Evidence of actions and strategies already implemented by school and those recommended by other professionals involved and the impact /outcomes of these.
- Evidence of progress made by the pupil and current levels of attainment.
- The pupil's perception of their own strengths and what they would like support with.

4. Admissions process

- The local authority is the placing authority. All applications for a place must be made through the process set out in this document.
- Applications must be made using the application form for Autism ARP provision available at <https://socialsolihull.org.uk/localoffer/education/additionally-resourced-provision/> . It must be accompanied by evidence set out in section 3 above. The application must have been discussed with parents at a review meeting and be signed by them indicating consent. The application must be sent to the START Team manager, 0-25 SEND Service, Elmwood Place, 37 Burton Way, Chelmsley Wood, B36 0UG at least three weeks prior to the next Panel date.
- The application will be considered by the LA at a dedicated termly admissions panel. **Panel dates and dates for applications to be received by**, will be circulated at the end of the summer term for the next academic year by the START Team. Papers will be circulated **at least three weeks** prior to the Panel, to all Panel members.
- The Panel will be chaired by the START Team Manager and attended by the Head Teacher and/or one other school representative, a specialist from the Specialist Inclusion Support Service and an Educational Psychologist.
- The Panel will consider available places, whether the entry criteria for the provision are met, needs of other pupils attending the ARP and advise on the placement. It is expected that places will be balanced across the different year groups.

- Parents will be informed about the Panel's decision by the START Team within 1 week. A copy of this letter will be sent to schools. Where the decision is not to offer an ARP place the reasons for this decisions will be outlined in the letter sent out.
- Following agreement a transition package will be agreed between the team around the child to ensure successful transition into the ARP. This will be planned for up to six weeks, in partnership between ARC staff, the child's mainstream school and specialists from the TAC, to ensure a successful transition for the young person and their family.
- Following placement there will be an 8 week review and subsequently there will be internal reviews at least each term.
- Where, the provision detailed within EHC assessment advice indicates an ARP place may meet a child's needs and this is parents' preference, a midyear Panel will be called by the START Team. The Panel will take place as an additional part of the Stage 2 Panel on a Tuesday morning. The application process followed will be the same as the process for annual Panel meetings detailed above and will be held within statutory timescales.

5. Exit criteria

- Generally, pupils will remain in the provision for the whole of the relevant Key Stage. It is expected that the majority of children will transition into their local mainstream secondary school following the additional ARP support. Some may transfer to another Autism Additionally Resourced Provision at the end of the appropriate Key Stage. For a small minority of pupils it may be appropriate to transfer to a more specialist provision.
- Criteria for moving on from the provision into mainstream are:
 - the pupil is making academic progress in line with or above expected levels and/or
 - the pupil has made significant progress in their social interaction, social communication and behaviour indicated by successful integration into mainstream school for the majority of the school week
 - the pupil can access the mainstream curriculum with additional support as outlined within Solihull's Banding document at Band 2a or 2b.

<https://socialsolihull.org.uk/localoffer/education/school-local-offers/>

- Criteria for moving on from the provision into more specialist provision are:
 - despite accessing an appropriate environment, curriculum and staffing designed to maximise learning for children with autism, the child has not made academic progress in line with expected levels indicating additional learning difficulties alongside Autism
 - despite accessing an appropriate environment, curriculum and staffing designed to maximise socialisation and communication for children with autism, the child continues to experience significant difficulties with interaction, communication and behaviour that would indicate more severe difficulties
 - the pupil requires a level of support that is in addition to that normally provided by the Autism Additionally Resourced Provision

6. Exit process

- Through the on-going regular process of review, the school will identify when the pupil meets the criteria to transfer from the provision. An EHCP review meeting will be held with the local authority, parents/carers and relevant professionals to discuss this.
- Once future placement is identified, normal transfer procedures will be followed. For pupils transferring from primary to secondary education a review meeting should be held no later than the Autumn term of Year 5 to ensure appropriate placement at Key Stage 3 can be made.
- The ARP will develop a transition plan with the new provision to ensure a smooth transition into the new setting for the young person.

7. Expected outcomes and impact

- The school will have high expectations for all pupils attending the ARP, setting challenging targets to enable them to make expected or better progress from their starting points and will achieve the expected outcomes detailed in their EHCP/ individual plans. All pupils should make good progress in relation to their social communication, interaction and behaviour, but also to make at least expected academic progress overall from their starting points.
- Progress and attainment of children will be monitored through:

- the school's data tracking, including the use of assessment and monitoring tools appropriate to the pupil's learning profile. This should also include data of individual social and communication progress using appropriate assessments for example, Progression Framework (AET)
 - termly planning and review meetings and through Annual Reviews
 - reports generated by other agencies involved with the child
 - evidence of successful outcomes related to sensory functioning within the school environment, demonstrated through individual sensory profiles evaluated on a regular basis
 - targets for inclusion within mainstream lessons to be set and reviewed regularly to ensure that each pupil makes appropriate individual progress.
- For all ARP pupils there is evidence of Pupil Voice/Engagement that demonstrates that their views are sought, listened to and acted upon
 - All pupils to have an emotional wellbeing assessment upon entry to the ARP with a positive action plan created and then reviewed regularly. This will measure the ARP's impact upon the individual emotional wellbeing of it's pupils
 - 90% satisfaction rate from parents, assessed through on-going evaluation and survey results in the summer term and on an annual basis thereafter
 - The LA Senior Advisory Teacher and Team Manager for the Specialist Inclusion Support service, will collaborate with the Head Teacher to review the performance of the ARP on an annual basis

8. Support and Monitoring

- The LA will provide support and challenge for the ARP through the SISS Autism Team. Support will be provided in establishing the ARP and with recruitment, followed by two termly half day visits.
- The focus of the LA visits will be on implementing the AET progression framework, staff training, pupil specific strategies and will be determined through discussion with the ARP manager and the Head Teacher.

- The LA through its specialist teaching service will coordinate termly network meetings for staff working in the Autism ARPs across Solihull, providing opportunities for additional training and peer to peer support.
- The ARP school and LA will follow the processes and protocols as set out and agreed through this SLA. All activity will be recorded as it is agreed.
- A report on performance and pupil progress for pupils attending the ARP will be provided to the LA Lead SEND Specialist and START Team Manager, on a termly basis.

9. Quality assurance

- The Head Teacher will:
 - ensure that staff in the ARP have appropriate qualifications and maintain their on-going professional development
 - ensure staff have continued access to training and professional development and that this relates to the development of the ARP

10. Governor responsibilities

- The Head Teacher and governing body will work in collaboration with the LA Autism Lead in ensuring service delivery and intended outcomes for the pupils in the ARP are achieved.
- Ensure staff are given sufficient time to participate in multi agency meetings as appropriate (e.g. Single Plan, Team Around the Child).
- Demonstrate that the needs of children and young people accessing ARP support are met and progress is being made.
- Report on an annual basis showing how ARP funding has been used.
- Ensure that the need to continue building the capacity, capability and confidence of all ARP and mainstream staff is part of the School Development Plan.
- Request a report from the ARP Manager/Teacher in Charge to Governors on a termly basis. A detailed written report should be produced annually.

11. Solihull Council Children's Services will

- Fund up to 14 places across NC year groups R-6.
- Work collaboratively with the ARP school and appropriate external agencies.
- Support appropriate training opportunities for designated staff within the ARP School.

- Monitor the progress and outcomes for the children attending the ARP.
- Support ARP resourced schools through termly ARP network meetings.
- Manage admissions and exit criteria to and from the ARP, in line with the SLA.
- Monitor outreach requests/provision.

Service Delivery Specification – Additionally Resourced Mainstream Provision (ARP) for secondary aged young people with autism:

Alderbrook Academy

1. Provision

In line with this Service Level Agreement and the Local Offer, Alderbrook Academy ARP will provide:

- This provision is for a maximum of 30 pupils across Key Stage 3 and Key Stage 4, with 6 pupils in each year group.
- Staffing will be a minimum of three teachers and 7 teaching assistants, with administrative support, as agreed within the model designed between school and LA. The staffing model will be reviewed annually.
- Pupils will be admitted on the roll of the Secondary School.
- The day-to-day running of the provision is the responsibility of the Head Teacher.
- Pupils will access mainstream classes as appropriate to their needs.
- Pupils will be placed by the local authority from Year 7. New pupils will be placed in the provision in higher year groups where there are spaces, they meet the ARP criteria and placement is agreed through a mid-year Panel.
- Alderbrook Academy and ARP will provide a socially and emotionally supportive environment which fully involves parents in their child's learning, including wider outcomes.
- Pupils will be appropriately supported according to their needs throughout the whole school day including breaks and lunchtimes
- The Teacher in Charge of the ARP will work closely with the school SENCo so that learning is shared across the school and ARP staff.
- Staff in the ARP will share expertise across the whole school enabling autism friendly practice to be embedded across the setting.
- The ARP staff will support other schools in Solihull to develop autism friendly practice through providing opportunities for schools to come and observe the autism friendly practice within the ARP.

2. Entry Criteria

- The placing authority is Solihull MBC. The young person will have a verified diagnosis of autism made by appropriately qualified specialists as detailed under NICE guidelines.
- The young person will have an Education, Health and Care Plan with autism as a primary need.
- The young person needs substantial adult and environmental support to manage the social, environmental and sensory demands of a busy mainstream setting.
- The young person has potential to benefit from access to a differentiated mainstream curriculum and function with the peer group available. The expectation is that the child will work towards achieving at least 50% of their timetable working within a mainstream classroom by the end of Key Stage 3.
- The child requires some aspects of the curriculum to be taught in a small group within the resource class area and to have access to specialist Autism programmes such as social skills programmes.
- All possible school based Autism interventions will have been explored, under the direction of the schools AET Lead for autism, and there is evidence to support this with clear outcomes.
- Interventions recommended by external specialists in autism will have been used and despite these the pupil shows little or no progress or intensive support is required to ensure progress.
- An Autism Specialist and/or Educational Psychologist will have been involved with the child and will have identified the need for this type of provision for the secondary phase of their education at the young person's Year 5 annual review meeting.
- Alderbrook ARP will have been the parental choice of provision for secondary placement. The required evidence will be submitted before the end of September, with the ARP application form, by the primary school to the START Team to support the parental request for placement at Alderbrook ARP.

3. Required evidence

The following evidence MUST accompany the standard application form for additionally resourced provision

- Written evidence of a diagnosis of autism from an appropriately qualified professional
- Evidence that there has been exploration of and identification of contributing factors to the pupil's autism needs, such as co-morbid conditions, specific learning difficulties, mental health issues. This is likely to be multi-agency.
- Evidence of partnership work with parents and the outcomes of this.
- Evidence of involvement of Support Services and professionals including Autism Specialist Teachers and/or Educational Psychology, this must include written evidence from these professionals.
- Evidence of actions and strategies already implemented by school and those recommended by other professionals involved and the impact /outcomes of these.
- Evidence of progress made by the pupil and current levels of attainment.
- The pupil's perception of their own strengths and what they would like support with.

4. Admissions process

- The local authority is the placing authority. All applications for a place must be made through the process set out in this document.
- Applications must be made using the application form for Autism ARP provision. It must be accompanied by evidence set out in section 3 above. The application must have been discussed with parents and be signed by them indicating consent. The application must be sent to the START Team manager, 0-25 SEND Service, Elmwood Place, 37 Burton Way, Chelmsley Wood, B36 0UG.
- The application will be considered by the LA at a dedicated secondary placement admissions panel held in November of the autumn term. **Panel dates and dates for applications to be received by**, will be circulated at the end of the summer term for the next academic year by the START Team. Papers will be circulated **at least three weeks** prior to the Panel to all Panel members.
- The Panel will be chaired by the START Team Manager and attended by the Head Teacher, SENCO and ARP Teacher-in Charge, representatives from the Specialist Inclusion Support Service (SISS) and an Educational Psychologist.

- The Panel will consider available places, whether the entry criteria for the provision are met, needs of other pupils attending the ARP and decide on the placement.
- Following agreement, a transition package will be determined between the team around the child to ensure successful transition into the secondary ARP.
- Where, following a midyear review meeting the team around a young person advise that a change in provision is required to meet a young person's needs and an ARP place is advised for consideration, a midyear Panel will be called by the START Team. The process followed will be the same as the process for annual Panel meetings.

5. Exit criteria

- Generally, pupils will remain in the provision for the whole of their Key Stage 3 and 4 education with the aim that inclusion in the mainstream increases throughout this time. For a small minority of pupils it may be appropriate to transfer to a more specialist provision.
- Criteria for moving on from the provision into more specialist provision are:
 - Despite accessing an appropriate environment, curriculum and staffing designed to maximise learning for children with autism, the child young person has not made academic progress in line with expected levels indicating additional learning difficulties alongside Autism.
 - Despite accessing an appropriate environment, curriculum and staffing designed to maximise socialisation and communication for young people with autism, the young person continues to experience significant difficulties with interaction, communication and behaviour that would indicate more severe difficulties.
 - The pupil continues to require a level of support that is in addition to that normally provided by the Autism Additionally Resourced Provision.

6. Exit process

- Through the on-going regular process of review, the school will identify when the pupil meets the criteria to transfer from the provision. A meeting will be held with the local authority, parents/carers and relevant professionals to discuss this. Once future placement is identified, normal transfer procedures will be followed. For pupils transferring from secondary to tertiary education a review meeting should be

held no later than the Autumn term of Year 11 to ensure appropriate placement at Key Stage 5 can be made.

7. Expected outcomes and impact

- The school will have high expectations for all pupils attending the ARP, setting challenging targets to enable them to make expected or better progress from their starting points. All pupils should make good progress in relation to their social communication, interaction and behaviour, but also to make at least expected academic progress overall from their starting points.
- Progress and attainment of children will be monitored through:
 - The school's data tracking, including the use of assessment and monitoring tools appropriate to the pupil's learning profile. This should also include data of individual social and communication progress using appropriate assessments for example, Progression Framework (AET).
