

Warning: This information shows the priority and distance (miles) of the last child offered a place on national offer day. It does not mean that places will always be offered to children with a particular priority/distance, but gives you an indication of previous patterns. You can check the description of each priority by looking at the admission arrangements for each school.

How secondary school places were offered		September 2022 admissions		September 2021 admissions		September 2020 admissions	
School	Places Available 2022	Criteria	Distance in miles	Criteria	Distance in miles	Criteria	Distance in miles
