

SOLIHULL METROPOLITAN BOROUGH COUNCIL

The Metropolitan Borough of Solihull (Commonwealth Games 2022) (Queens Baton Relay) Temporary Traffic Regulation Order 2022

The Council gives notice that it intends to make the above Order in accordance with the Section 14(1) of the Road Traffic Regulation Act 1984 (as amended) and of all other enabling powers and being satisfied that the traffic on the roads listed below should be restricted or prohibited in the interests of public safety to event participants and spectators:

On behalf of: Solihull MBC.

Reasons: To safely enable the Birmingham 2022 Queens Baton Relay connected to the Commonwealth Games www.birmingham2022.com

Contact: Highways Management - 0121 704 8004.

Tuesday 26th July 2022

In order to facilitate the event, it will be necessary to introduce the following restrictions to:

- a) Temporarily prohibit all motor vehicles, cyclists and persons riding, leading or driving of horses or any other animals, from entering or proceeding along the lengths of roads specified on the date and at the times indicated in Order Schedules 1 through to 20.
- b) Temporarily prohibit all motor vehicles, cyclists, pedestrian and persons riding, leading or driving of horses or any other animals, from entering or proceeding along the lengths of roads specified on the date and at the times indicated in Order Schedule 21.
- c) Temporarily prohibit, except for access all motor vehicles, cyclists, pedestrian and persons riding, leading or driving of horses or any other animals, from entering or proceeding along the lengths of roads specified on the date and at the times indicated in Order Schedule 22.

The provisions outlined above shall not apply to:

- a) Any vehicle, including registered competitors officially associated with the event displaying the appropriate accreditation.
- b) Any vehicle being used in connection with the event including those used for stewarding, crowd management and traffic management purposes or by designated officers displaying the appropriate accreditation.
- c) Anything done with the permission of or at the direction of a Police officer in uniform or an authorised event steward.
- d) Access required for the emergency services.

The restricted times are the anticipated finish times for each section of the route. Sections may be opened early in the event that the Baton has completed a section but may also be subject to reopening delays in the event of an unplanned emergency or incident. Advanced warning signs will be deployed not less than fourteen days before any particular road will be closed.

Pedestrian access to all properties along the route or within the restrictions will be maintained along defined routes throughout the period of the closure, except where specified.

An alternative route for all traffic is not viable due to the nature of the roads in the area, however a strategic diversion route will be provided to aid traffic management.
