## Using the Spydus Mobile app

With the free Spydus app you can manage your account, including renewals, from your phone or tablet, as well as search the catalogue and reserve items. You can also carry round your barcode to borrow from the library.

When opened, the app comes up with the page at left and then changes to the one at the right – click Select Library to start.

Download it from the Google Play Store and the Apple Appstore

 Sol
 ×

 Solihull Libraries

Start typing Solihull and after a few letters the entry will appear. Click on it to select Solihull.

The main app page will now come up. Click on **Login** to get into your account.

You will then get the login box below.

Enter your Borrower ID which is your barcode number without the SLP, then your 4 digit PIN.

If you don't have your PIN you can reset it online at <u>https://solihull.spydus.co.uk</u>

In Personal Details you can change your information.

Not shown, but at the bottom of this screen, you can change or correct your email address.

This is important so you can get loan reminders from us and also notifications when your reservations are available.

Above My Account, at the left there is a menu which also includes Borrower Barcode.

This will work with the library kiosks so you can borrow items without your library card.
