

November 2022

Light Hall School is consulting on its Sixth Form admission arrangements for 2024 – 2025. The consultation period will be from 21st November 2022 – 16th January 2023.

Proposed change to admission arrangements for Sixth Form at Light Hall School

Light Hall School has applied to extend its provision to 16 – 18 for its students. We have been notified by the DFE that our application has been approved at regional level and is now awaiting approval at national level. We are aware that there is a huge demand for Sixth Form places in the borough because of the significant increase in the number of families moving into Solihull.

We are now consulting on the proposal to provide up to 10 places in our Sixth Form for external candidates, provided they meet the admission criteria, from September 2024. Admission criteria can be found here:

<https://www.lighthall.co.uk/documents/admissions-arrangements-policy-2022-23/> .

If you have any comments or views you should send them via email to lsixthformconsultation@lighthall.co.uk by 5pm on 16th January 2023.

We will be updating our FAQ document on our website to respond to questions that are submitted during the consultation period. This will be updated on a fortnightly basis, during the consultation period, based on responses received.

Yours sincerely
