Updated June 2024

Increase the supply of affordable and social housing and starter homes that is environmentally sustainable

Develop

and promote

the borough's

revitalise our

centres and

town and local

maximise the

UK Central

and HS2

opportunities of

Achieving the best possible outcomes for children and young people in Solihull

Growth that creates opportunities for all

Take action to improve life chances and health outcomes in our most disadvantaged communities

Good quality, responsive, and dignified care and support for Adults in Solihull when they need it Children are central to our work as a Council

People and Communities

- Improvements in early childhood development and school readiness, particularly in disadvantaged communities
- Effective early help prevents issues from escalating
- Children and vulnerable adults are safequarded
- The Council is a good corporate parent to children in care and care experienced young people
- Improvements in skills and access to good work
- Connected, resourceful communitites where people find solutions to local issues

A Strong Economy

- People, business and the environment benefit from UKC and HS2, including increased access to good work
- More environmentally sustainable affordable and social housing is built
- Safe, welcoming town and local centres where businesses can thrive
- More visitors to the borough
- The local economy is more resilient to economic shocks
- Improve transport across the borough

Actioning our Climate Change Declaration

- Community, environment and business benefiting from actions on climate change and more resilient to its impacts
- The council is net zero carbon by 2030
- The borough is net zero carbon by 2041
- An enhanced, well connected natural environment
- More people using public transport, walking and cycling
- Air quality has improved
