Help me talk and play, Try these 5 a day

#### Talk

Look at my face.

Use my name and get my attention.

Use language that matches mine and add a bit more.

Talk about what we see and do, and our feelings.

Be patient while I think of my answer.

Have fun with words!

Show me your expressions, your gestures, and how your mouth moves as you talk to me.

# **Play**

Join my world and play with me!

What interests me? Let me show you....

I love to spend time together.

Playtime is a great time for us to talk and have fun!

### Respond

Tune in to me and respond to my attempts to communicate.

Praise and add a comment to any sound, gesture. word or phrase I make.

Give me time to think and respond.

Don't ask me too many questions.

Take it in turns as we chat.

### Check

Chat to my Health visitor, GP or Nursery if you have any worriés about me.

Are my hearing and vision ok?

Am I at the correct developmental milestones?

Let me practise talking without my dummy.

Turn off the TV, radio or phone.

## **Explore**

What shall we do today?

Spending time together helps me learn and communicate.

Ouiet time together

Go to the park or the library

Share a book

Snuggle up on the sofa

Sing a song
