

# SOLIHULL METROPOLITAN BOROUGH COUNCIL

## The Metropolitan Borough of Solihull (Cheswick Green Village – Various Roads) (Total Prohibition of Waiting, Restriction of Waiting and Limited Waiting) Order 2024

### Statement of Reasons

In 2022, as part of the development of Cheswick Green Primary School, a planning condition was imposed to improve road safety with the provision of a zebra crossing and to regulate parking by providing suitable parking restrictions near the school.

Parking restrictions were subsequently proposed and implemented to prohibit parking and regulate the kerbside space at this location to aid visibility and help to facilitate the free passage of traffic.

The above changes have been in situ for just over 18 months and monitoring has shown that there is potential for parking restrictions to be extended. This will further regulate kerbside space, aid visibility, and help facilitate the free passage of traffic with the aim of making this area safer for all.

It is recommended that the restrictions are advertised as shown on Plan 9419.
