

Solihull Health and Wellbeing Board
Pharmaceutical Needs Assessment:

Supplementary Statement Update:

October 2024

Supplementary Statement no.	1
Date authorised	29/10/2024
Date supplementary statement published	January 2025

Solihull Health and Wellbeing Board (HWB) Pharmaceutical Needs Assessment (PNA)

Solihull Health and Wellbeing Board (HWB) is responsible for developing a Pharmaceutical Needs Assessment (PNA). PNAs are a statutory requirement and must be updated at least every three years. The PNA is a report on the present needs for pharmaceutical services. It is used to identify any gaps in current services or improvements that could be made in future pharmaceutical service provision.

The PNA will be used to make decisions when applications for new pharmacies are received and for the commissioning of other services that could be delivered by community pharmacies and other providers.

In 2022, Soar Beyond Ltd was contracted by Solihull Metropolitan borough Council and Birmingham City Council to produce the Birmingham and Solihull (BSOL) PNA 2022 to 2025.

Solihull Metropolitan Borough Council - Supplementary Statement:

The Solihull Metropolitan Borough Council has a statutory responsibility to publish and keep up to date the PNA for the population in its area and through supplementary statements. Supplementary statements are a way of updating what the PNA says about the availability of pharmaceutical services and once issued becomes a part of the PNA. Supplementary Statements cannot provide updates on pharmaceutical needs which is done every three years through a review of the PNA.
