

SOLIHULL METROPOLITAN BOROUGH COUNCIL

The Metropolitan Borough of Solihull (Grove Road and Adj Roads, Knowle) (Total Prohibition of Waiting) Order 2025

Statement of Reasons

Through the Council's established Traffic Regulation Order Framework process, Grove Road was identified as priority location in the 2025/26 works programme to be considered for the introduction of new or amended parking restrictions.

Vehicles associated with events at the Cricket Club are parking inconsiderately; half on the footways/verge on Grove Road in Knowle, causing an obstruction to pedestrians. If they were to park fully on the carriageway this would cause an obstruction to the free flow of traffic.

The proposal for double yellow lines will discourage all obstructive parking on Grove Road, improve safety for all road users, and maintain the free flow of traffic.

The restriction will also encompass the roundabout at the junction of Grove Road and Middlefield Avenue, including the junction at Avenue Road and Knowle Wood Road. This will support the guidance given to motorists in the Highway Code.
