

Join the Minecraft parks project

Solihull Council and the Family Care Trust are looking for schools to join our weekly Minecraft open sessions.

The fun sessions will give pupils the chance to get creative and edit Malvern and Brueton Parks in a vibrant virtual world using Lego-style blocks!

Your school could use this as a learning tool to develop a lesson and inspire our future parks.

Every Friday afternoon
Anytime between midday-3.30pm
Online

Register at smbc@familycaretrust.co.uk or visit
www.solihull.gov.uk/ninecraft-parks for further details.
