

# Solihull Future Ready

## A day to inspire young people

Solihull Careers Hub is inviting local employers to inspire Year 9 students via an interactive workshop at this one-day event.

### Why get involved?

- Inspire young people to explore your industry through investigating real-world projects
- Enhance your company's profile in the community with a high quality, skills-focused event for young people
- Help young people develop the employability skills employers value most through your guidance, feedback, and expertise

### What we need from you

- Work with us to develop and deliver a 1-1.5 hour interactive workshop

## What will the day look like?

- All workshops will be employer-led, task-based for 1-1.5 hours including feedback, facilitated by employer volunteers
- Students will work on real-world tasks based around core employability skills
- Year 9 students from schools across the borough will select workshops based on their interests and aspirations
- Workshops will run simultaneously 3 times throughout the day
- Solihull Careers Hub can offer planning and support to ensure the workshop align with learning objectives

## What are the expectations?

- Students will investigate and explore themes with a specific focus on essential skills
- Activities will support the new modern work experience framework
- Develop a workshop brief with aim and objectives, a warm-up exercise, developing a solution, share and wrap-up

**Join us and inspire your future workforce**
