April 2026

Dear Stakeholder,

Langley School is writing to inform you of a proposed variation to its admission arrangements for the 2027/28 academic year.

You will be aware that we are in the process of planning to introduce a sixth form at Langley for September 2027. As part of this process, Langley School is proposing to amend its admission arrangements by introducing an external Published Admission Number (PAN) of 10 for a proposed post-16 sixth form provision, commencing from September 2027.

The proposed external PAN would apply to students applying from other schools and educational settings to join the sixth form at Langley School in Year 12.

This PAN relates to external applicants for Year 12 only, as existing Year 11 pupils are already on the roll and do not need to apply for admission under this policy. Existing Year 11 pupils who meet the Minimum Academic Entry Criteria and want to continue their studies into Year 12 will transfer from Year 11.

Stakeholders are invited to submit comments or representations within two weeks of the date of this letter.

Responses should be sent in writing to David Adams, Governance and Compliance Manager: dadams@coedtrust.org

All responses will be carefully considered by the Governing Body before a final decision is made by the DfE. If approved, it will be published as part of our admission arrangements for 2027/28.

Yours faithfully,

Clare Thorpe
Headteacher
