

Summer Workshops

Support for students in Years 11-13

To help you prepare for next steps, we will deliver a series of workshops covering:

Pathways

- Understand the pathways available after school or college, when and how to apply

CVs and Interviews

- Identify what makes a great CV and draft your own
- Prepare for common interview questions for college, jobs and apprenticeships

Apprenticeships

- Support with how to search and complete apprenticeship applications

Application Support

- 1:1 session to support with completing applications for College, Apprenticeships or University
