31/03/26	Solihull Metropolitan Borough Council	Solihull E08000029	SOL - 17320/2	SOL - Long Term Care at Home and Sitting Services (Dwell Homecare Ltd)	Adult Care & Support	Long Term Care at Home (Lot 1) and Sitting Services (Lot 2) aim to allow people who use the service to live as independently as possible in their own homes and to sign-post people to other services where needed. The service provided should help to delay and reduce the need for additional long term care through a focus on promoting wellbeing and independence. It should safeguard adults, protecting them from avoidable harm. Care and support should be delivered in line with the person's wishes, as best as it can be. The care and support delivered should meet the person's cultural needs and maintain their dignity and respect. 31/03/26	Solihull Metropolitan Borough Council	Solihull E08000029	SOL - 17320/3	SOL - Long Term Care at Home and Sitting Services (Homecare For You)	Adult Care & Support	Long Term Care at Home (Lot 1) and Sitting Services (Lot 2) aim to allow people who use the service to live as independently as possible in their own homes and to sign-post people to other services where needed. The service provided should help to delay and reduce the need for additional long term care through a focus on promoting wellbeing and independence. It should safeguard adults, protecting them from avoidable harm. Care and support should be delivered in line with the person's wishes, as best as it can be. The care and support delivered should meet the person's cultural needs and maintain their dignity and respect. The service provided should help to delay and reduce the need for additional long term care through a focus on promoting wellbeing and independence. It should safeguard adults, protecting them from avoidable harm. Care and support should be delivered in line with the person's wishes, as best as it can be. The care and support delivered should meet the person's cultural needs and maintain their dignity and respect. The service provided should help to delay and reduce the need for additional long term care through a focus on promoting wellbeing and independence. It should safeguard adults, protecting them from avoidable harm. Care and support should be delivered in line with the person's wishes, as best as it can be. The care and support delivered should meet the person's cultural needs and maintain their dignity and respect.
