Family Adventure Day

Get ready to swap the screens for the great outdoors! This action-packed Family Adventure Day at Ackers Adventure is designed to push your limits, spark some friendly competition, and create memories that will last much longer than a social media post.

Here is an example what your day might look like:

The Adventure Day Schedule

09:30 – 10:15 | Kick-off: Tubing

We're starting with high-speed thrills. Grab a large inflatable ring and fly down our slope! It's all the fun of sledding without needing to wait for a snowstorm. A perfect way to wake everyone up.

10:30 – 12:30 | The Tower: Climb, Zip & Fan

This session is all about vertical limits:

Climb: Scale our climbing wall and see who can reach the top first.

Zip: Feel the rush of adrenaline as you whiz through the air on the zip wire.

Fan Descender: Take a leap of faith with a controlled free-fall drop that will definitely get the heart racing!

12:45 – 13:30 | Refuel: Lunch

Take a well-earned breather. Grab some shade, swap stories about the Tower, and refuel your energy levels for the afternoon's challenges.

13:30 – 15.00 | The Grand Finale: Paddle & Archery
We're finishing the day with a mix of tranquillity and precision:

Paddle: Take to the water for a relaxing (or competitive!) session on the canal.

Archery: Channel your inner Robin Hood. We'll teach you the basics of the bow and arrow—steady hands and sharp eyes required!

Quick Tip: We recommend

wearing comfortable sports clothing (no denim if possible) and sturdy trainers. Don't forget a change of clothes—the "Paddle" session can get a little splashy!
