### **Timing and duration of direction**

8. The restrictions set out in paragraph 7 come into effect at 17:00 on 15 January 2021. ### **Grounds for Direction**

10. This Direction is given on the basis that:
  - The owner has purposely and consciously chosen to serve alcohol to groups on the premises whilst he is prohibited in law from doing so.
  - The owner was evasive and lied to police officers and only told the truth after further questioning.
  - Dorridge has been a hotspot for COVID.
  - There is little confidence in the diligence and personal responsibility of the premises owner.
  - No Covid-19 risk assessment was available to inspect or consider.
  - There is no entry or exit strategy for customers.

- There was no signage in place anywhere on the premises related to COVID safety or security – no posters or signs on the doors or windows apart from the QR code that is required in law.
- There were no floor markers or arrows to assist with social distancing.
- There was no screen at the till point or bar.
- Although the manager was wearing a face covering when police officers visited on 13 January 2021, he removed it when they sat down to discuss the concerns more formally.
- There was no evidence of cleaning schedule in place.
- A safe capacity for the premises had not been calculated.
- There has been little regard to government guidance.
- The layout of the premises was questionable – tables and chairs had not been socially distanced.
- No provisions in place for minimising the risk of gathering in the premises
- No strategy for managing collections e.g. time slots, waiting areas, instructions for customers etc.
