Memorial Terms and Conditions

The Cherub Tear Memorial remains the property of Solihull Council

The personalised inscribed tear drop shaped Perspex plaque can take up to 8 weeks to be manufactured

Should you wish to alter the inscription within the agreement period, a replacement can be purchased

The areas around the Cherub Tear Memorial must not be decorated with items such as vases, flower containers, ornaments or wind chimes, these will be removed by the cemetery

Items must not be placed on top of the Cherub Tear Memorial as this will damage the granite. Any costs associated with the repair of such damage will be passed onto the lease holders

Teardrop plaques are allocated on a plan and the final position of all plaques is at the discretion of the Manager

Solihull Council reserves the right to amend the Cemetery and Crematorium Regulations, the design and the position of the Cherub Tear Memorial without notice to lease holders

If you change your name, address or email address during the period of the lease it is your responsibility to notify the cemetery

At the end of your 3 year lease you will be offered the option to renew the lease for a specified period

The plaque will be removed from the Cherub Tear Memorial if the option to renew the lease is not taken up
