PUBLIC PATH STOPPING-UP ORDER 2015

This order is made by Solihull Metropolitan Borough Council ("the authority") under section 257 of the Town and Country Planning Act 1990("the 1990 Act") because the authority is satisfied both that:

- (a) an application for planning permission (PL/2015/50294/PPFL) in respect of development under Part III of the 1990 Act has been made namely the erection of a single 3 storey building for non-residential education use (Use Class D1) and associated landscape and infrastructure including a new vehicle access from Chelmsley Road, and
- (b) if the application were granted, it would be necessary to stop-up the footpath to which this order relates in order to enable development the subject of the application to be carried;

This order is also made under section 53A(2) of the Wildlife and Countryside Act 1981 ("the 1981 Act") because it appears to the authority that its definitive map and statement would require modification in consequence of the occurrence of an event specified in section 53(3)(a)(i) of the 1981 Act, namely the stopping-up as authorised by this Order of a highway hitherto shown or required to be shown in the map and statement
