

## **Park View Centre**

Park View is a purpose built, fully accessible one level building, ideally situated close to Solihull town centre which offers great links for public transport. Opposite you will find Tudor Grange Park and the Parkwood Leisure Centre.

Park View offers 2 fully equipped changing facilities with ceiling track hoists.

A light, bright and 5\* award winning Honeycomb Café serving a range of hot and cold food prepared daily on site. Spacious grounds to the rear of the building that are safe and secure.

Available for hire a fully equipped training room with internet access various informal meeting areas and a recently refurbished sensory room with the use of a mobile hoist.

### **Park View Centre offers;**

#### **The Hive**

The Hive @ Park View provides support for individuals with a range of disabilities and well needed respite for carers across the borough of Solihull and further a field.

The Hive is dedicated to ensuring there is a buzz of excitement and activity within the building. Our doors are open and everybody is welcome to drop in and join in the fun. We have a team of well trained and enthusiastic staff who deliver a variety of activities. We also offer many sessions which are lead by specifically trained professionals. As well as providing activities within the centre we also aim to find social events in our local area that people can join and meet friends.

#### **LINKS “Bringing People Together”**

This is a small well trained staff team who aim to encourage and promote independence by providing opportunities for individuals to pursue their hobbies and interests and to make new connections within their community. We are also currently supporting people in a variety of community volunteering placements.

If you would like to visit us or know more about our service please contact us directly on 0121 704 7499 or the Social Work Team on 0121 704 8007
