

Using newspapers and emagazines from the PressReader app

You can now log in to your library account through the PressReader app wherever you are.

Then you can download newspapers and magazines to your tablet or computer to read offline, completely free of charge.

For this you will need to download the free PressReader app from the Google Play Store, or the App Store.

Once you have downloaded the app to your device and opened it, you will see this screen.

On the left hand menu bar, click on Accounts

The Publications screen will come up and will refresh to include the latest titles.

You can choose a country's titles from the list at the left.

You can also choose:

- Magazines, worldwide
- Newspapers, worldwide
- United Kingdom titles

This list comes up when you click on United Kingdom titles.

Further titles are available if you scroll to the left and right.

To view any title click on the cover or the line below. If you click on the symbol , the title will start downloading.

Clicking on the title bar displays this page.

Click on the cover to download it.

Click on this link to open a calendar to view back issues.

If you slide the button Automatically deliver all new issues, this will mean issues download automatically as they are published.

A similar slider button allows you to download supplements (particularly Saturday and Sunday newspapers).

You can download back issues for varying periods up to 3 months.

When an individual title page comes up, available back issues are shown at the side

Click on the icon to download the back issue.

Any publications you have downloaded will be under **Downloaded** on the menu.

You can remove items from your downloads by clicking on the dustbin symbol. 

There is also a built-in screen reader that will read the text of any article for you – click on the  symbol at the top right of the screen

Downloaded titles remain until you delete them
